

Dear Parents and Carers,

We hope you had a wonderful summer filled with fun, laughter, and exciting adventures. Whatever you got up to, we are delighted to welcome you to Year 3!

As you know, our new website is currently under construction. Soon we will have a Year 1 page which will be your one-stop shop for information about **Richie Hargeaves Class** and **Colin Payne Class** — from key dates, timetables and curriculum information to snapshots of everything we get up to. Until then, please keep an eye on the **weekly mailbag** for all the up-to-date information you need.

For now, to whet your child’s appetite for the term ahead, here are four pictures linked to our learning over the next few weeks — why not talk about them together at home?

The Year 1 Team

A TASTE OF TERM ONE

As Scientists

We will be exploring the seasons and what the weather is like during these seasons. We will also look how night turns to day.

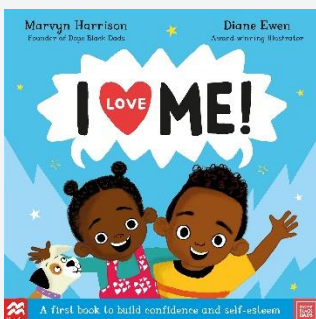

As Mathematicians

We’ll learn about the place value of numbers to 10 by exploring the language of more, less, greater than and less than.

As Authors

We will continue our learning phonics and applying this to our reading and writing.

Our No Outsiders book

This term our book will be “I Love Me!” where we explore how to celebrate being us and loving who we are.
